1.0 OBJECTIVE

This procedure is drafted to meet the following purpose:

- To follow a system of preparation, review, approval, distribution, and change control of PT Nirwana Bhumi Energi
- To ensure that pertinent management systems records are legible, readily available, identifiable, and properly collected and maintained to demonstrate effective implementation of management systems in conformity with the specified standard requirements.

2.0 SCOPE

Applicable to all documents and records for all PT Nirwana Bhumi Energi Integrated management systems.

3.0 RESPONSIBILITY

As stated in the procedure

4.0 PROCEDURE

A Custodian shall be appointed for each procedure at PT Nirwana Bhumi Energi. The PT Nirwana Bhumi Energi Management Representative (MR) shall act as the custodian of the PT Nirwana Bhumi Energi Manuals and Procedures. All units within PT Nirwana Bhumi Energi, through the respective Department Coordinators (Engineering, Operation, and Finance), shall inform the Management Representative whenever a new Management System procedure or document is to be issued, modified, or amended.

4.1 Authority for Review and Approval

The following shall be followed for selection of authority for review and approval based on the type of document:

Type of Document	Document Description	Code	Review By	Approve By
Company Policy	Overall direction and policy for PT Nirwana Bhumi Energi	XXX-GNR-CEO	Management Representative (MR)	President Director (CEO)
Company Manual	Explains how the PT Nirwana Bhumi Energi	XXX-GNR-CEO	Management Representative (MR)	President Director (CEO)

4.3 Document Distribution

Controlled copies of PT Nirwana Bhumi Energi documents shall be made available online for all departments (Engineering, Operation, and Finance). Specific

	Integrated Management Systems		
	Procedure		
	DOCUMENTS AND RECORDS CONTROL PROCEDURE		
	Revision: 0	Number: 0001-SOP-GNR-CEO-IX-2026	Revised:

documents shall be made available to all concerned staff. For hard copies, a Document Distribution Form shall be utilized.

4.3 Uncontrolled Copies

Uncontrolled copies of PT Nirwana Bhumi Energi documents shall be distributed by the MR to personnel outside the relevant department on an as-needed basis. All documents distributed by the MR shall be stamped "Uncontrolled Copy" for reference only.

4.4 Document Changes

- 4.4.1 Upon amendment to a controlled document, the server shall be updated. All concerned parties shall be notified that the document is available and should be read and understood by all concerned staff (and/or other parties).
- 4.4.2 Any staff member may propose changes to an existing document, or highlight the need for a new document, by completing a Management System Document Change Request Form. All document change requests shall be approved by the Respective Approving Authority as defined in Section 8.1.
- 4.4.2 The MR is the review authority for changes to all PT Nirwana Bhumi Energi documents. Once a document has been revised, all copies in circulation shall be updated.
