1.0 OBJECTIVE

To establish a process to ensure that training and developmental activities are provided to Exterran Indonesia (EH) employees to improve job performance.

2.0 SCOPE

The provisions of this procedure are applicable to all Exterran Indonesia locations.

3.0 OWNERSHIP STATEMENT

The Exterran Indonesia MR maintains ownership of this document and is responsible for ensuring that this document is necessary and reflects actual practice.

4.0 REFERENCES

- HSE-STD-US-COR-002 - HSE Core Training.

5.0 DEFINITIONS

5.1 Competency

Demonstrated set of skills, knowledge and behavior based on education, training and experience.

5.2 Certification

A document validating that an employee has successfully met the requirements of the "Training Certification Program".

5.3 EH QHSE Passport

A document issued by the EH QHSE Department to record successful completion of QHSE training.

6.0 RESPONSIBILITIES

6.1 Department Managers and Country Managers are responsible for the identification and approval of their workforce training needs and ensuring the required competency levels are achieved.

6.2 The Human Resources Manager is responsible for preparing the training plan and the training requirements.

6.3 The EH QHSE Department is responsible for organizing QHSE related training sessions, provided by internal resources, external training providers and / or third party certification bodies, and when possible coordinate training session with different locations.

6.4 The Integrated Management Team (IMT) is responsible for conducting periodic assessments of employee's training performance on QHSE related issues.

7.0 SAFETY & ENVIRONMENTAL

This is an Exterran Indonesia procedure and all provisions refer to the Exterran Indonesia Integrated Management (QHSE) System.

8.0 PROCEDURE

8.1 Training Needs Analysis (TNA)

8.1.1 Department Managers shall conduct a Training Needs Analysis (TNA) (see Appendix II) for all employees; it shall include the following items:

- Jobs Specifications (Skills Matrix per function);
- Task Analysis;
- One on One interview;
- Performance Records / Results (appraisal);
- Goals & Objectives;
- Management recommendation.

8.1.2 The Human Resources Manager shall collect all TNA results and prepare a Training Plan (see Appendix III) that shall be approved by the Country Manager and / or the President of Eastern Hemisphere.

8.2 Internal Training

8.2.1 Selection of Internal Trainers

8.2.1.1 Internal trainers shall be selected and assigned to a training session based on the following criteria:

- Educational Attainment – Preferably College graduate or at least has reached College level;
- Technical knowledge and background – Must have at least 1 year of experience in the process;
- Experience – Gained or have experience as a trainer from another company;
- Have the potential to train and test other employees capable of becoming internal trainers.

8.2.1.2 Only those employees who completed the required number of hours and passed the final test shall be certified as internal company trainers.

8.2.2 Organizing Internal Training

8.2.2.1 Based on the Training Needs Analysis and the approved Training Plan; a certified internal trainer shall be assigned to conduct the training session for the Department.

8.2.2.2 A training schedule shall be submitted to the Human Resources Department (HRD) Manager.

8.2.2.3 A copy of the approved training schedule shall be distributed to all departments affected.

8.2.2.4 Training Material shall be developed (if necessary) and approved by the department managers prior to the training session.

COPYRIGHT © 2008 EXTERRAN HOLDINGS, INC. Paper copies of this document are uncontrolled. This copy is valid only at the time of printing. The controlled version of this document is stored on the Exterran intranet Web site.

8.2.2.5 Training and validation of its effectiveness shall be conducted and recorded.

8.2.3 Internal Training Knowledge Retention

8.2.3.1 The Integrated Management Team (IMT) and/or the Human Resources Department shall apply a written exam or evaluate practical performance (documented) for all employees trained under the internal training program.

8.2.3.2 The passing mark shall be set by the location IMT. If an employee fails to pass the examination, retraining and reexamination shall be conducted immediately.

8.2.3.3 If an employee fails a second time, this result shall be considered during the employees Performance Evaluation or may prompt other action from the Human Resources Department.

8.2.3.4 The employee's supervisor shall evaluate the employee's behavior, during a 3 months period, to identify changes in competency level and / or performance as a result of internal training.

8.2.3.5 Management shall consider performance improvements due to internal training during the semi-annual performance appraisal / evaluation.

8.3 External Training

8.3.1 Based on the Training Needs Analysis and the approved Training Plan, the Human Resources Department and / or QHSE Department shall identify potential external trainers to provide the required training.

8.3.2 Once the training session is scheduled, the Human Resources Department shall disseminate the information to all affected departments.

8.3.3 The Department Managers may recommend or nominate participants to attend a selected training session through written communication and forward it to the Human Resources Department.

8.3.4 The Department Managers and / or their employees who will be attending the external training shall handle all the registration requirements.

8.3.5 For international training, the Department Manager shall send a written communication to the Human Resources department at least 1 month prior to the planned departure date with the following information:

- Purpose or Objectives of the training;
- Training Schedule and Plans;
- Training Period;
- Why the training is important for the Company.

NOTE: ONLY EMPLOYEES THAT HAVE BEEN WORKING FOR THE COMPANY FOR AT LEAST 1 YEAR SHALL BE QUALIFIED FOR INTERNATIONAL TRAINING.

8.3.6 Before departure for an international training session, employee shall sign a binding contract with the Company.

8.3.6.1 After completing an external training, employees shall:

COPYRIGHT © 2008 EXTERRAN HOLDINGS, INC. Paper copies of this document are uncontrolled. This copy is valid only at the time of printing. The controlled version of this document is stored on the Exterran intranet Web site.

- Provide a copy of all original hand-outs / manuals and certificates and an External Training Report to their local Human Resources representative;
- Conduct a knowledge sharing session/seminar to all local affected personnel within one (1) month after the training session is finished.

8.4 Orientation for New Hires

8.4.1 All new hire employees shall be trained in accordance with the HSE-STD-US-COR-002 - HSE Core Training Standard.

8.4.2 The location QHSE Coordinator and the designated HR representative shall provide the site specific training with at a minimum the following information:

- Company Overview, History , Background & Policies;
- Company Rules, Regulations & Benefits;
- Job orientation;
- Awareness training on the Integrated Management (QHSE) System;
- Basic Safety Practices/Safety Induction Training.

8.5 On the Job / Process Training

8.5.1 The training program for the on the job training sessions shall cover all the respective processes encountered in the Manufacturing or Operations Divisions and shall include the quality, health, safety and environmental concerns along with any requirements related to the specific processes or job tasks assigned.

8.5.2 The on the job / process training schedule shall be approved by the Department Manager and / or location Human Resources prior to its implementation.

8.5.3 The on the job / process training is a mentoring program, with minimum duration of one month, and the assigned mentor shall assist the trainee employee during its whole length.

8.5.4 All employees assigned by the training plan to attend on the job / process training shall list in the Process Training Card all the process training received.

8.5.5 The trainee employee shall prepare daily and weekly training reports recording their training progress, which shall be evaluated by the mentor and /or Human Resources representative.

8.5.6 After successful completion of the on the job / process training, employee shall be endorsed by their respective department.

8.5.7 All employees who are part of the on the job / process training program shall be monitored for Post-Training Evaluation during the following periods:

- After 1 week of endorsement;
- Every month until considered part of the regular workforce;
- After 1 year, in their Performance Evaluation / Appraisal.

8.5.8 Employees enrolled in the apprentice program (3 months & 5 months after endorsement), shall pass the job proficiency written examination conducted by the Integrated Management Team (IMT).

8.6 Other Relevant QHSE-Training

8.6.1 All employees shall receive the Core HSE Training as established in the HSE-STD-US-COR-002 - HSE Core Training Standard. QHSE professionals shall be trained as trainers and certified to provide the PEC Core Training.

8.6.2 All Manufacturing and Operations Divisions shall conduct daily toolbox topics through face to face talks between supervisors and workers

8.6.3 Specific QHSE training sessions shall be provided if there are any changes in process or technology, as well as for refresher purposes.

8.7 Training Certification Program

8.7.1 All employees assigned to the following processes shall undergo a Training Certification Program:

- Manufacturing / Production (Operators);
- Maintenance / Facility;
- Non-routine hazardous activities (e.g. Permit to work);
- Emergency Response Team;
- Fire Brigade Team;
- First Aid Team.

8.7.2 All new hire(s) or transferred employee shall receive a certification training at least 1 month after employee endorsement to a critical process. If the employee fails the certification evaluation, the employee shall be retrained until he / she passes the evaluation.

8.7.3 If an employee fails to pass the retraining session, they shall continue to be trained or be transferred from the current position.

8.7.4 Training certification examinations (both Written & Oral) shall be recorded on the Training Certification Sheet, which can be used to determine the Competency Level of the employee.

8.7.5 A Certification Card and/or register in the QHSE Passport shall be provided to the employee upon successfully completing the Training Certification Program.

8.7.6 The certification training shall be refreshed annually.

8.8 Training Effectiveness

8.8.1 Training effectiveness shall be assessed by the Integrated Management Team (IMT) through evaluation tests as part of the Integrated Management (QHSE) System improvement cycle. The evaluation exams are categorized as follows:

- Category 1- all employees performing non-critical jobs shall be evaluated by an IMT Level-1 on a yearly basis;
- Category 2- Supervisors/Engineers shall be evaluated by an IMT Level-2 on a yearly basis;
- Category 3- Middle Management shall be evaluated by an IMT Level-3 on a yearly basis;
- Category 4- Top Management (President, Directors) shall be evaluated by an IMT Level 4 once every 5 years.

COPYRIGHT © 2008 EXTERRAN HOLDINGS, INC. Paper copies of this document are uncontrolled. This copy is valid only at the time of printing. The controlled version of this document is stored on the Exterran intranet Web site.

8.8.2 All employees up to the Top Management level shall pass the evaluation tests. Passing the evaluation tests is required to ensure everyone in Exterran EH is aware and informed on the importance of QHSE. Those who do not pass the evaluation tests shall be given a re-examination.

8.8.3 The Human Resources Department shall implement the necessary action for those employees who cannot pass the exams.

8.9 Evaluation Exam Content

The evaluation test shall include the following topics:

- HR- company Policies, Job description, roles and responsibilities, actual work activities;
- QHSE- QHSE policy, safety issues including emergency preparedness and response, hazards in the workplace, etc.

8.10 Training Session Evaluation

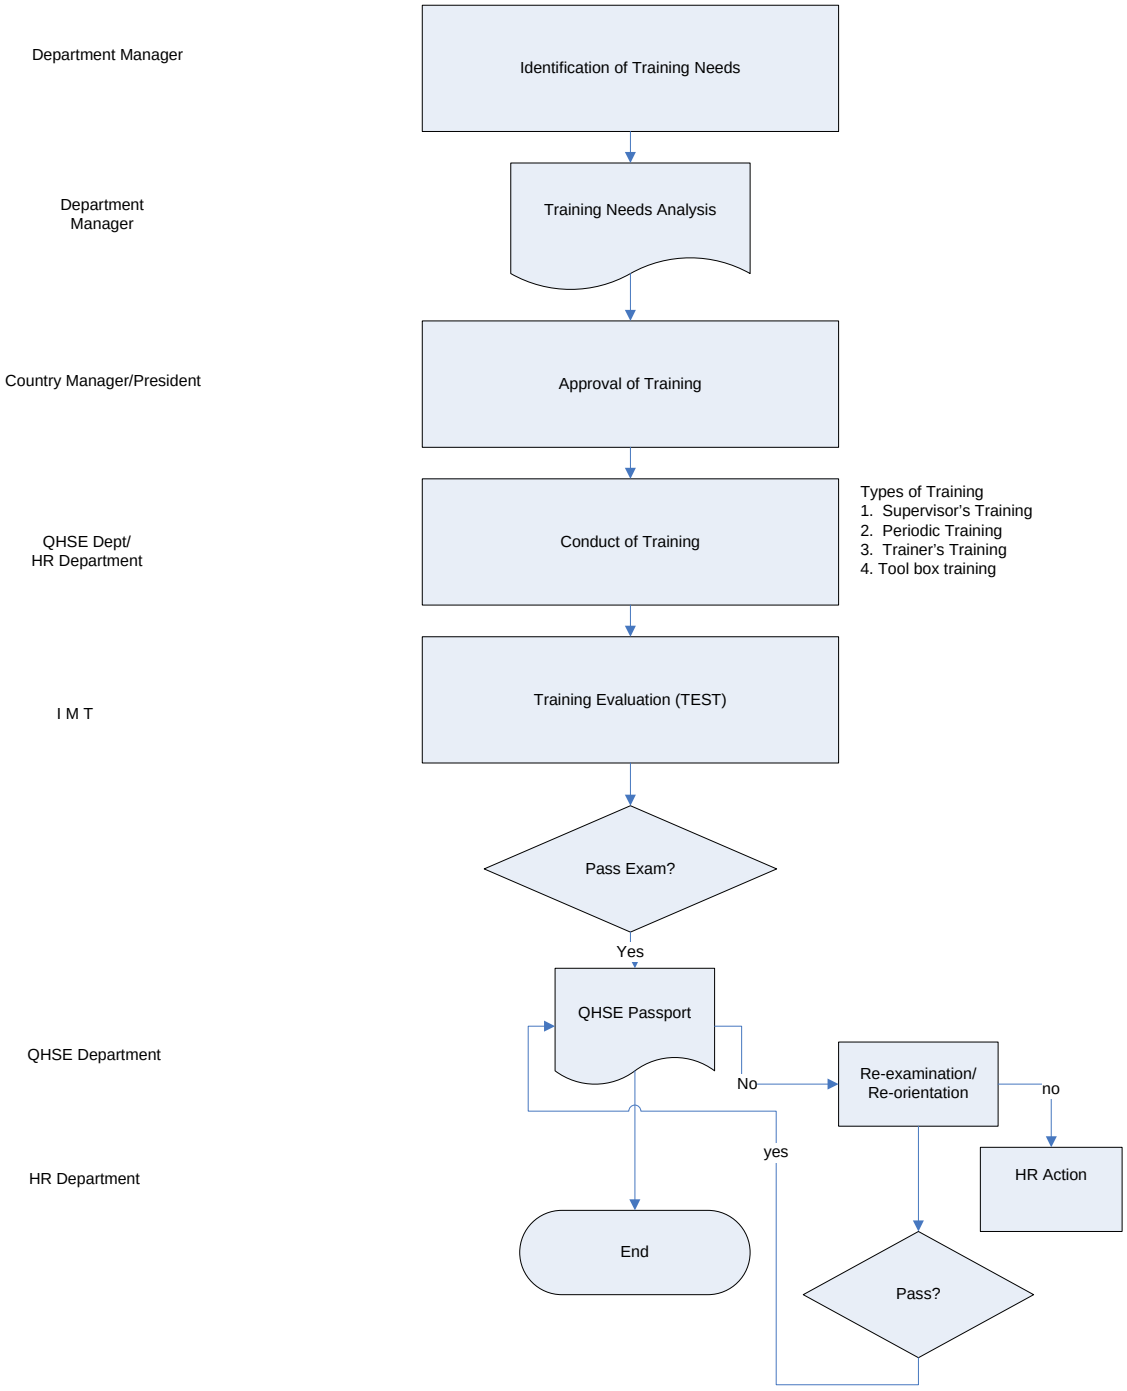

All training sessions shall be evaluated by the attendees using the form model in Appendix IV.

8.11 Training Record

All employees shall have their Employee Training Record (see model Appendix V) updated after successful completion of a training session.
